

Setting a Model for a Sustainable Dairy Chain

Wednesday, July 22, 2015
Conference Centre
EXPO Exhibition Site, Milano

14.30 Conference Welcome

Chair: Diego Breviario *IBBA-CNR*

From Feed to Food: Quality and Safety throughout the
Dairy Chain

Mike Gooding *FAI Farms Ltd*

Intensive vs low-input dairy breeding: converging to common
goals

Filippo Biscarini *Parco Tecnologico Padano*

Ben Hayes *Victorian Department of Environment and Primary Industries*

Alessandra Stella *IBBA-CNR*

Bianca Castiglioni *IBBA-CNR*

Mario Luini *IZSLER*

New traceability methods to ensure the quality of the
Parmigiano Reggiano PDO cheese

Valentina Pizzamiglio *Consorzio del formaggio Parmigiano Reggiano*

Diego Breviario *IBBA-CNR*

Roberto Consonni *ISMAL-CNR*

Cheese microbial biodiversity and safety

Elena Dalzini *IZSLER*

Jozsef Baranyi *Institute of Food Research*

Milena Brasca *ISPA-CNR*

Fabio Dal Bello Sacco *s.r.l.*

Diego Mora *Università degli Studi di Milano*

Milk as functional food: biopeptides and dental caries prevention

Alessandra Majorana *Università degli Studi di Brescia*

Stefania Chessa *IBBA-CNR*

Maria Luisa Callegari *Università Cattolica del Sacro Cuore*

Recycling sewage and waste for fertilizers and energy production

Giuliana D'Imporzano *Università degli Studi di Milano*

Marcella Guarino *Università degli Studi di Milano*

Davide Gardoni *Università degli Studi di Milano*

A model for scoring high quality Lombardy dairy productions

Giovanna Battelli *ISPA-CNR*

Maddalena Zucali *Università degli Studi di Milano*

Sustainable Dairy chain from forage to cheese: presentation of the dairy demo farm project

Franco Gerevini *SIVAM S.p.A.*

Conclusion

Mike Gooding *FAI Farms Ltd*
